2. That during the time period from 1989 until the present time, respondent engaged in the practice of hairdressing without a Connecticut license.
3. The conduct described above constitutes grounds for the denial of respondent's application for licensure pursuant to §19a-14 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §19a-14 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives the right to a hearing on the merits of this matter.

5. Respondent shall notify the Department of any change(s) in her home and/or business address within fifteen (15) days of such change.
6. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.
7. Respondent understands that this Prelicensure Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Connecticut Examining Board for Barbers, Hairdressers & Cosmeticians in which (1) her compliance with this Prelicensure Consent Order is at issue, or (2) her compliance with §20-263 of the Connecticut General Statutes, as amended, is at issue.
8. This Prelicensure Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Prelicensure Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that she may have under the laws of the State of Connecticut or of the United States.
9. This Prelicensure Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
10. This Prelicensure Consent Order is effective when accepted and approved by a duly appointed agent of the Department.

11. Respondent understands this Preliminary Consent Order is a matter of public record.
12. Respondent understands she has the right to consult with an attorney prior to signing this Preliminary Consent Order.

I, Magda Pleszko have read the above Prelicensure Consent Order, and I agree to the terms and allegations set forth therein. I further declare the execution of this Prelicensure Consent Order to be my free act and deed.

Dear Ms. Pleszko:

This is to advise you that you have completed all requirements for Connecticut hairdresser licensure. License number 051506 has been issued effective the date of this letter.

Enclosed is a copy of the fully executed Prelicensure Consent Order in accordance with which your license is being granted.

You will receive your license in approximately eight (8) weeks, at your address of record. Instructions regarding future renewal will be enclosed. Failure to renew your license within ninety (90) days of the due date will result in your license becoming void. In that event, re-licensure would require a new application to the Department and a review of all credentials to determine whether you would satisfy current licensing requirements. In order to avoid such a process, be sure to renew your license in a timely manner each year in the month of your birth.

It is your responsibility to notify the Department of Public Health, in writing, of any future changes of name and/or address. Such notification to the Department is required by law and failure to provide same will jeopardize the status of your license.

If you have any questions, please do not hesitate to contact this office at 860-509-7590.

Sincerely,

Stephen B. Carragher
